## LIMITED WARRANTY

### Warranty Terms:

Subject to the Limitations of Warranty and the Warranty Procedures described below, VERTEX STANDARD hereby warrants this product to be free of defects in materials and workmanship in normal use for a period of twelve months (the "Warranty Period") from the date of original purchase at retail (the "Limited Warranty").

### Limitations of Warranty:

- VERTEX STANDARD is not liable for any express warranties except the Limited Warranty described above.
- The Limited Warranty extends only to the original retail purchaser, and shall not be valid or enforceable unless such original purchaser fully completes, signs, and mails to VERTEX STANDARD within ten (10) days from the date of such original purchase at retail, the Owner's Warranty Registration Card included with this product.
- The Limited Warranty shall be limited to repair or replacement of any materials found to be defective, any servicing or adjustment of the product which VERTEX STANDARD believes is necessary or replacement of the product should such repair, servicing, or adjustment be deemed by VERTEX STANDARD to be ineffective. The repair or replacement of defective material, and the servicing, adjustment, or replacement of the product, under the terms of this warranty, shall be performed free of charge by VERTEX STANDARD, or by an Authorized YAESU Amateur Products Dealer.
- Any tampering with, misuse or unauthorized modifications of, or damage (for any reason) to this product shall relieve VERTEX STANDARD from any further obligations under this Limited Warranty.
- The Limited Warranty applies only to the product as it existed at the time of original purchase by the original retail purchaser, and shall not preclude VERTEX STANDARD from later making any changes in design, adding to, or otherwise improving subsequent versions of this product, or impose upon VERTEX STANDARD any obligation to modify or alter this product to conform to such changes, or improvements.
- VERTEX STANDARD assumes no responsibility for any consequential damages caused by or arising out of, any such defect in materials or workmanship.
- TO THE FULLEST EXTENT PERMITTED BY LAW, VERTEX STANDARD SHALL NOT BE RESPONSIBLE FOR ANY IMPLIED WARRANTY WITH RESPECT TO THIS PRODUCT.
- If the original retail purchaser timely complies with the Warranty Procedures described below and VERTEX STANDARD elects to send the purchaser a replacement product rather than repair the product returned to VERTEX STANDARD (the "original product"), then the Limited Warranty shall apply to the replacement product only for the remainder of the original product's Warranty Period.
- Warranty statutes vary from state to state, so some of the above limitations may not apply to you.

### Warranty Procedures:

- To obtain the benefit provided by this Limited Warranty, the original purchaser at retail must comply with the following procedures:
  - As a first step in seeking warranty assistance, and without expense to VERTEX STANDARD, contact the Authorized YAESU Amateur Products Dealer from whom this product was originally purchased (the "Dealer") and describe fully the defect for which warranty assistance is sought. The Dealer may be able to advise you regarding field adjustments or operating procedure changes which may resolve the difficulty.
  - If the Dealer's suggestions do not remedy the product's problems, then without expense to VERTEX STANDARD, return this product to the Dealer or VERTEX STANDARD Service Center, 10900 Walker Street, Cypress, California 90630. (VERTEX STANDARD assumes no responsibility for any YAESU product or other item, sent to such Dealer or VERTEX STANDARD not in accordance with VERTEX STANDARD instructions.) Advance authorization is not required to return YAESU products to VERTEX STANDARD for service.
  - Include with the YAESU product being returned for warranty service a copy of the original purchase receipt, without which warranty service will not be provided.
- Upon receipt by VERTEX STANDARD or the Dealer of this product returned in accordance with the above described Warranty Procedures, all reasonable efforts will be expended by VERTEX STANDARD to cause this product to conform to its specifications. VERTEX STANDARD will return the repaired product (or a replacement product) free of charge to such purchaser, with the decision as to whether to repair or replace this product to be made in the sole discretion of VERTEX STANDARD.
